PRODUCTION ACTIVITY NOTIFICATION CHECKLIST ______ Date _____ Production Name: Production Phone ____ Name / Title (completing checklist): This form is designed to encourage ongoing communication between the Production Safety Department and your production. Once we are aware of potentially hazardous activities, we will provide assistance with regulatory requirements and recommend precautions for the cast and crew. The 1st AD should ensure this form is completed during production meetings (for television, complete one per episode). Please provide information as far in advance as possible, but at minimum of 48 hours prior to the activity to allow sufficient time to contact your production for more information. If drones are used, In addition to notifying Production Safety, please contact your Risk Management Manager.
