

Disney Entertainment Television(DET) Health & Safety Guidelines

Canada Productions

Face Coverings:

Performers and Crew should wear face coverings when:

- Required by orders from local health department
- As a close contact or positive case (see bubbles below and right)

Health Screening:

- If you are exhibiting COVID-19 symptoms, do not report to the workplace and inform your immediate supervisor
- If you begin exhibiting COVID-19 symptoms at the workplace, inform your immediate supervisor and leave the workplace

Close Contacts:

If you were exposed to COVID-19:

- If you are asymptomatic, no quarantine is necessary. It is recommended to wear a well-fitted face covering for up to 10 days after last exposure from a positive case. Performers should wear a face covering when they are not performing or having hair and makeup applied.
- If you are symptomatic, do not report to work and take a COVID-19 test as soon as possible
 - If positive, follow positive case guidance (see bubble to right)
 - If negative, please consider staying home from work and retesting in 1-2 days. Testing can be repeated every 1-2 days if symptoms persist.

Positive Cases:

If you test positive for COVID-19, immediately submit [Positive Case Reporting Form](#) to the DET Contact Tracers

- If you test positive and ARE experiencing COVID-19 symptoms:
 - Stay at home
 - Isolation can end once symptoms are improving for at least 24 hours (or 48 hours if you have nausea, vomiting and/or diarrhea); AND you do not have a fever and do not develop any additional symptoms
 - It is recommended to wear a well-fitted face covering around others for up to 10 days from onset of symptoms
- If you test positive and ARE NOT experiencing COVID-19 symptoms:
 - You may continue working, but it is recommended to wear a well-fitted face covering for up to 10 days from positive test.
 - Performers should wear a well-fitted face covering when they are not performing or having hair and makeup applied
 - If symptoms develop, follow guidance for testing positive with symptoms

DET Positive Case Reporting Form
