

Disney Entertainment Television(DET) Health & Safety Guidelines

Face Coverings:

Performers and Crew should wear face coverings:

- When required by orders from CDC or local health department
- When returning to work after having COVID-19 until 5 days have passed since ending isolation
- For up to 10 days after close contact with a positive case

Health Screening:

- If you are exhibiting COVID-19 symptoms, do not report to the workplace and inform your immediate supervisor
- If you begin exhibiting COVID-19 symptoms at the workplace, inform your immediate supervisor and leave the workplace

Close Contacts:

If you were exposed to COVID-19:

- If you are asymptomatic, no quarantine is necessary. It is recommended you wear a face covering for up to 10 days from last exposure with positive case. Performers should wear a face covering when they are not performing or having hair and makeup applied.
- If you are symptomatic, do not report to work and take a COVID-19 test as soon as possible
 - If positive, follow positive case protocol
 - If negative, please consider staying home from work and retesting in 1-2 days. Testing can be repeated every 1-2 days if symptoms persist.

Positive Cases:

If you test positive for COVID-19:

- Stay home and away from others if you have symptoms. If you have no symptoms, you may continue to work and should follow added precautions listed below for next 5 days.
- Isolation can end when, for at least 24 hours, your symptoms are getting better overall AND you have not had a fever (and are not using fever-reducing medicine)
- Consult with your production leadership on returning to work once you meet the below criteria

Recommended Added Precautions:

- Once you end isolation, it is recommended to take added precautions over the next 5 days which includes wearing a face covering
- Performers should wear a face covering when they are not performing or having hair and makeup applied.
- Refer to the [CDC](#) or local health department for recommended additional precautions

**Visitors to the production site(s) should be approved by production leadership*
