

Special Skills Assessment

Production		Completed by*	
Performer Assessed		<i>*Provide CV and vendor insurance if applicable</i>	
Training Location		Date	

Describe the special skills that will be developed (i.e. swimming, riding a bike, horseback riding, etc.).

Outline the steps required to reach the above selected level of skill.

Has Production Executive and Line Producer determined the need for developing the special skills outlined?

Provide a schedule (dates/times) for training sessions.

Current Skill Level	Desired Skill Level	Achieved Skill Level

Approximate number of lessons required to achieve the desired skill level:

Special Skills Assessment

After each training session, list milestones and skill level achieved (i.e., beginner, intermediate, advanced).
Include attachments and/or additional pages, if necessary.

Lesson 1 - Milestones and Skill Level Achieved

--

Lesson 2 - Milestones and Skill Level Achieved

--

Lesson 3 - Milestones and Skill Level Achieved

--

Lesson 4 - Milestones and Skill Level Achieved

--

Lesson 5 - Milestones and Skill Level Achieved

--

If trainee has not reached desired skill level, will this affect their ability to perform using these special skills?
If so, please provide a detailed plan of action for the physical activity (e.g. stunt double vs. trainee, etc.)?

--

Discuss all activity plans with your Production Safety Representative, Risk Management, relevant Heads of Department (HODs), and Director regarding the trainee's ability to perform in scenes using the special skills acquired.
