

**2024 DISNEY ENTERTAINMENT TELEVISION WRITING PROGRAM:
"STAFFING PITCH"**

Elect one live-action show that is ideally related to your life experience (no more than 1500 characters or approx. 250 words). Pitch yourself as a staff writer for the show, emphasizing: things you have done, relationships you have had, places you have lived, jobs you have held or other personal experience that would directly inform a character or story of that show.
